## Portrait Photography - Family Sessions

Our family sessions can be tailored to fit most families, large or small. Our unique on-location shooting makes it easy for you to relax and let your children be children. Our standard family session is based on 1 set of parents and up to 5 children or infants. Additional family members may be added to your session on a quote basis only.

- \$125            Standard family session: Includes up to 2 adults and 5 children or infants.
  
- \$200            Large family session: Includes up to 3 families from our standard family portrait session.

Both sessions include:

Approximately 1 hour of photography time

Unlimited outfits and poses

Professional color matched images balanced to our print vendor's specifications

Secure online gallery for the images from the session, including guest access and password protection

Approximately 10 images to choose from per family set
