Wedding Photography Pricing

Our single photographer coverage includes coverage for all the events of your day from the dressing of the bride and groom to the departure of the newlyweds. Our unique blend of artistic and candid photography will ensure you have all the memories from your special day preserved for a lifetime.

\$350	4 hours of single photographer time Download full images from online gallery with online ordering with release Approximately 200 images
\$600	8 hours of single photographer time Download full images from online gallery with online ordering with release Approximately 300-500 images

Our double photographer coverage adds the benefit of a second angle and flexible scheduling to our amazing single coverage. Many brides want the look on their groom's face the first time they walk into the room, but most brides forget that they have the same reaction when their husband to be is looking perfect in his tux as well. Let our double coverage capture both your faces, and more of your day. Double coverage works on your time frame, with all the events for the day.

\$600	4 hours of photography time Download full images from online gallery with online ordering with release Approximately 300 images
\$1000	8 hours of photography time Download full images from online gallery with online ordering with release Online gallery access with online ordering Approximately 400-500 images
